The Philosophy of Pathfinding

The purpose of having a Pathfinder Club is to lead its membership into a growing, redemptive relationship with Christ, to build its membership into responsible, mature individuals and to involve its membership in active selfless service. All Pathfinder leaders are Christians, working hand in hand with parents, teachers, and pastors to provide optimum opportunities for Christian development. The Pathfinder club is an extension of the home, school and church. It is a laboratory where growth and learning flourish. The membership involves youth in grades 5-10, who have a desire for group activities ranging from community to world mission projects, nature and outdoor and camping activities. Investiture Achievement class curriculum and AY honors are part of the total experience. Above all, Pathfinder gives youth an environment in which to actively expand their personal experience with Christ.

Your Commitment to Pathfinders

We, the undersigned, have read, understand, and are in full agreement with the above Philosophy of Pathfinding and we agree to support our club with the means which the Lord has given this church. This includes finances, staff volunteers, a meeting place, transportation for outings, and any other needs as may arise in the fulfillment of this ministry. We plan to assist and support the work of the Pathfinder ministry in this conference and around the world.
