We then proceed to the Valley of Jezreel and on to Megiddo to visit the excavations of over 20 different civilizations. After lunch we will enjoy the epic views over Mount Carmel where Elijah stood against the prophets of Baal. We will end our day by visiting the port city of Caesarea where Paul made that fateful voyage across the frigid waters of the Mediterranean on his way to his martyrdom to Rome.

Day 6

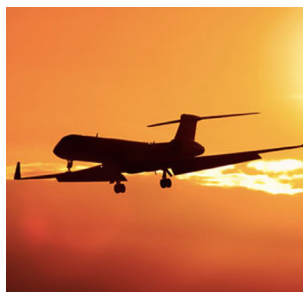

BETHLEHEM

We begin this morning by visiting the Church of the Nativity and then the Shepherds field. We will then visit the famous city of David where we will visit go through Hezekiah's Tunnel and end in the Pool of Siloam where Christ's famous miracle took place. This will be a high Sabbath. We begin the day in the height of the Mount of Olives where Christ ascended and we make our way to view the City of Jerusalem where Jesus wept visiting Dominus Flevit and then down to the Garden of Gethsemane. We will then have our special worship in the Garden Tomb. In the afternoon we will walk down the VIA DOLOROSA all the way to the traditional site of Calvary.
