The Philosophy of Adventurers

The Adventurer club is a Seventh-day Adventist Church-sponsored ministry open to all children grades 1-4 who agree to keep the Adventurer Pledge and Law. The Adventurer children and parents are encouraged to attend all meetings and functions sponsored by the Adventurer Club.

The purpose of the Adventurer program was created to assist parents in the important responsibilities as their child's primary teachers and evangelizers. The Program aims to strengthen the parent/child relationship and further the child's development in spiritual, physical, mental and social areas. In this way the church, home and school can work together with the parents to develop a mature, happy child.

Difference Between Pathfinders and Adventurers The Adventurer Club was created so that younger children could have a club of their own. The programming and planning for the Adventurer Club should be simple, short, but creative. There are areas of the program where the Pathfinder and Adventurer Clubs are similar, but the Adventurer program is to be unique in its own way. One of the Adventurer club objectives is to provide a meaningful and exciting experience as the children look forward with anticipation to some day being Pathfinders.

Your Commitment to Adventurers We, the undersigned, have read, understand, and are in full agreement with the above Philosophy of Adventurers and we agree to support our club with the means which the Lord has given this church. This includes finances, staff volunteers, a meeting place, transportation for outings, and any other needs as may arise in the fulfillment of this ministry. We plan to assist and support the work of the Adventurer ministry in this conference and around the world.
