Wilderness Survival

Shelters Honor Advance

1. Go out into the woods and make believe you are lost. Be still and quite for a while and then make a list of any noises you hear that would help you find civilization.
2. From a high vantage point, make a list of anything you see that would tell you civilization is over there.
3. Tell what is common on all wet climate and jungle shelters.
4. Make a shelter suitable to be used in the jungle. In non-jungle settings long grasses can be bundled together to make shingles. Cattails, bulrush, reeds and dock leaves can work as well.
5. Describe the parts of a snow cave. If you have suitable snow, go make one.
6. From a long distance practice singling each other using the rays from the sun.
7. Make a signal fire with lots of contrast smoke. Get your file going then add your green smoke makers.
8. From the Pathfinder bible, read the following texts and talk about or write a paragraph on what they mean for Gods people in the end times. Psalms 143:9, Psalms 61:3-4, Psalms 83:3, Joel 3:16
