Wilderness Survival

Fire Honor Basic

1. Name the three things fire needs to exist.
2. What starts on fire easer, edges or surfaces?
3. Explain how to make a tinder bundle.
4. Name two fungi that work well for making fire.
5. Name two ways you can make fire with electricity.
6. Solar fires are started from the sun and they fall into two groups. Name the groups.
7. When making fire from compressed air we use a device to generate a flash of hot air. What is the name that we give this device?
8. What is a device that can generate a spark that is a good idea to carry one with you at all times?
9. Name three ways that can generate a spark that can be used to make fire.
10. How hot does wood have to get before it will start to smolder?
11. Name three friction fire methods?
12. Talk about what the fire was used for in each of these verses. Exodus 12:9, Exodus 13:21,Deuteronomy 7:5, Ezekiel 28:18, Daniel 3:24-27

Fire Honor Advance

1. From what Mother Nature gives you make a tinder bundle.
2. Pick a fire method and start that tinder bundle on fire.
3. Get some jute string and make a tinder bundle. Pick a fire method and use the jute bundle to start a fire. The fire needs to be enough to roast a marshmallow over.
4. Start a fire using a Ferro Rod.
5. Make a fire using the sun.
6. Explain how to make fir with a fire piston.
7. Construct a bow or hand drill set.
8. See if you can get fire with your set.
9. Gather materials to make a fire that will burn off a string that is held 24 inches off the ground. Build the matchless fire and time how long it takes to burn off the string.
10. Read Ex. 22:6 and discus if God wants us to be careful with our fires.
11. Read Ex 32:24 and discus what fire is being used for in this passage.
